Trading Element Still Supreme In Control of the Stock Market

PRICE CHANGES

Railway List Generally a Shade Higher.

ST. PAUL UNUSUALLY HEAVY

Union Pacific, After Failing to Hold Slight Advance, Rallies and Gives Strength to Market.

NEW YORK, May 3 .- The stock market this morning has been irregular, but the tone shows more stamina than at the close yesterday. In the railway list prices generally were a shade higher. St. Paul was exceptionally heavy and Union Pacific failed to hold a slight im-Union Pacific failed to hold a slight improvement. The changes in the main were narrow and without much significance as the trading element continues to be virtually in control of quotations.

In the industrials, Amalgamated Copper continued heavy. Tennessee Cost and Iron was fractionally better, but United States Steel preferred was drooping. Pressure continued to be put upon Metropolitan Street Railway, but after a decline of 1% per cent the stock showed a little more resistance.

The news of the day was not of an influential character and the temper of the speculation grew somewhat feebler at the close of the first hour. Government bonds unchanged. Other bonds quiet.

Quiet.

London bought fairly heavily today and this with the sudden strength in Union Pacific caused a general rally.

COTTON PRICES RECEDE UNDER BEAR PRESSURE

NEW YORK, May 3.—The cotton market opened much better than expected considering the weakness of Liverpool. There seemed to be good demand from shorts which prevented a notable drop in prices and spot houses bought to some extent. Later the market began to feel the weight of the liquidation and the bear crowd confidently hammered the market in the absence of outside support, meeting little resistance, aside from a fairly good demand for July from spot houses which checked any tendency to an open break. The weather in the belt was regarded as satisfactory.

payment on the Fanama Canai yester-day, in New York. The government of Panama asked that the money be paid to the Morgan Company, which is its agent in this country. Secretary Hay had the disbursing officer of his depart-ment take the warrant to New York to insure its safe delivery.

NEWS FROM BOYDS.

BOYDS, Md., May ? .- The result of the Republican primaries held at Clarks-burg on Saturday evening last is still dispute. There are claims and counterclaims made as to who is presented by a majority of the delettes elected.

From the vote now giving a majority to Baker, Dronenburg wins his fight. Samuel Young, of Buck Lodge, near Boyds, returned here yesterday and re-ported a sad injury to his sister, Mrs. ported a sad injury to his sister, Mrs. Stephen A, Reid, of Kensington, recently of this vicinity. She jumped from an electric car in Washington on Friday last, breaking her leg near the ankle. The motor, it is stated, burned out a fuse and caused a light explosion on a car near Georgetown. Frightened passengers Mrs. Reid among others, jumped. She alone sustained injury. She was removed to her home at Kensington.

NEW YORK.

kets of the world will rule firm before the end of the summer if the struggle between Japan and Russia is not speedily settled. Both countries have al-ready expended an enormous amount of ready expended an enormous amount of money, and they must of necessity soon be compelled to come into the market as borrowers. Already Russia is arranging for a large loan, which it is understood will be placed in Paris. This, of course, will have a direct bearing on our money market, and it is likely that, in addition to exports of gold on Panama account, Paris will continue to draw on New York for as much of the metal as it possibly can secure.

Discussing the call by the Secretary of the Treasury on the national banks for 10 per cent of their deposits, the opinion is expressed that while the call, for 10 per cent of their deposits, the opinion is expressed that while the call, in addition to that scheduled for June, of Fauquier country, but had lived in Alexandria for some time. She was twich together will take from the national banks about \$24,000,000 might result in somewhat higher rates for money, it is not at all probable that the effect upon the general situation will be sufficient to more than slightly strengthen money rates. The Panama payments require \$50,000,000, of which about \$25,000,000 gathered together in the Litten special depository banks in New York by the call of March 25 last, will come from the banks and the balance from the United States Treasury. The present working balance of \$50,000,000 will be cut about in haif by the payments in connection with the Panama Canal purchase, but the amounts that the national banks will be obliged to turn into the Treasury on May 10 and on the further call early in June, will offset these payments, it being estimated ed that the call of May 10 will convert into the Treasury about \$12,000,000, and that expected in June about as much more.

more to be from the live and will be call about the payments are connection with the Panama Canal purchase, but the amounts that the national banks will be obliged to turn into the Treasury on May 10 and on the further call early in June, will offset these payments, it being estimated ed that the call of May 10 will convert into the Treasury about \$12,000,000, and that expected in June about as much more.

DUMPING ON ROCK CREEK.

A resolution was offered last night at MILLION FOR PANAMA

PAID TO J. P. MORGAN & CO.

Thomas Morrison, disbursing officer of the State Department, paid to J. Pierpont Morgan & Co. the first \$1,000,000 payment on the Panama Canal yesterday, in New York. The government of Panama asked that the money be paid to the Morgan Company, which is its agent in this country. Secretary Hay had the disbursing officer of his department take the warrant to New York to insure its safe delivery.

A resolution was offered last night at the meeting of the Georgetow Citizens' Association by George A. King, requesting President Thompson to appoint a committee to wait upon the Commissioners and urge them to have the dumping on the banks of Rock Creek immediately discontinued. Mr. King gave quite a lengthy talk on the subject, stating that the dividing line between Georgetown and Washington was most unsightly and unhealthy, and that the Commissioners should take a hand in the matter. The resolution was unanimously adopted, and the following committee was appointed: George A. King, chairman; Benjamin Miller and William M. Dougal.

lay this matter before the honorable board.

President Thompson stated that he had been working hard to have the old hacks on Water Street removed and the roadway of the street resurfaced. He stated that the Baltimore and Ohio company had asked several firms for estimates on the work, and that several had been received. The bid of the Etennan Construction Company, for the removing of the tracks and resurfacing of the street from the Aqueduct Bridge to Rock Creek was \$10,000.

Near the close of the meeting, Col. E. B. Townsend, president of the Mount Plearant Citizens Association, admitissed the meeting, and a vote of thanks was given him by the association.

At the pext meeting of the association. represented by a majority of the delegates elected.

A close count of the votes indicates that Bradley H. Dutrow was defeated as a delegate by D. W. Baker. The entire delegation will go to Rockville unanimously indorsing George A. Pearre for Congress.

The greatest fight was between the Smith faction, led by John T. Smith, Republican nominee last fall for house of delegates, and the Dronenburg faction led by William Dronenburg faction led by William Dronenburg. Dronenburg says the results are a clear victory for him by a majority of delegates elected. Smith is a great advocate of rural free delivery, while it is known Dronenburg is not.

From the vote now giving a majority

He stated that the Baltimore and Ohio company had asked several firms for company had asked several firms for catimates on the work, and that several had been received. The bid of the Elennan Construction Company, for the resultman Construction Company, for the resultman Construction Company, for the street from the Aqueduct Bridge of the street from the Aqueduct Bridge to Rock Creek was \$10,000.

Near the close of the meeting, Col. E. B. Townsend, president of the Mount Piesant Citizens' Association, addition, to be held in June, the work will be discontinued for the summer months.
